

TRADITIONAL FRENCH ROASTER

Family owned Maison since 1892

Since 2003, **Cafés Richard** is involved in a Quality process, validated by ISO 9001 certification. But now, to move further along the UN sustainable development goals, we want to highlight our responsible actions. Thus, through its **CSR (Corporate Social Responsibility)** approach, Cafés Richard aims to be the roaster and coffee partner serving a sustainable growth, which develops its activities taking care of Humans and environment, from coffee beans to cup.

This proactive and continuous improvement approach has 4 commitments: **sustaining our activities, ensuring quality, taking care of all coffee actors, saving our natural resources.**

By building on our values of **integrity, proximity and humanity**, our employees are all actors of this approach which keeps giving more meaning to our activities. By joining our forces, we increase our positive impact and put even more positive energy in every cup.

Anne Richard Bellanger

Arnaud Richard

CAFÉS RICHARD is a traditional French-style coffee roaster linked to the French gastronomy. Inspiring the confidence of its 41,000 CLIENTS through premium quality and service, Cafés Richard firmly holds onto its position as LEADER IN FRANCE'S HORECA market for hot beverages solutions and now reaches coffee lovers around the world through an INTERNATIONAL NETWORK of selected distributors.

CAFÉS RICHARD is deeply linked to the French Gastronomy, to the French "Art de Vivre" and to PARIS...

From Saint-Germain-des-Prés to Montmartre via the Grands Boulevards, the **UNIQUE** bistro atmosphere offers a blend of emotion, culture and animated discussion. If every one of the thousands of cafés and restaurants in Paris has its own personality; they also have one common point: Cafés Richard, a key factor contributing to their **AUTHENTICITY**.

At Cafés Richard, we carefully **SELECT BEANS** from the best plantations. Then we blend different crus based on their variety and their terroir before roasting them to ensure a uniform and balanced final product. We are specialist of the delicate **FRENCH ROASTING PROCESS**, a medium light coffee bean roasting. This roasting brings out the best flavors and creates the perfect balance in the cup. Our **EXPERIENCE** and "savoir-faire" over many decades have given us a solid position as one of the leading coffee experts in **FRANCE**.

BLENDS

The ART of developing a good coffee requires a sound, sophisticated knowledge of the different lands, species, varieties and harvests. Developed with precision by coffee-lovers, CAFÉS RICHARD BLENDS are EXCLUSIVE and made from jealously guarded recipes, a harmonious balance of AROMAS and FLAVORS.

CLASSIC BLENDS

French roasting

PERLE NOIRE

100% ARABICA

RICH & HARMONIOUS

A rich and elegant blend of the finest Arabica origins. A selection of the “rarest pearls” compose this subtle and aromatic blend.

RÉSERVE RICHARD

100% ARABICA

SWEETNESS & AROMAS

Strength and aromas characterize this blend composed of the best coffees from Brazil, the Caribbean, and Ethiopia.

FLORIO

100% ARABICA

POWERFUL & SMOOTH

The perfect expression of the tradition of Italian roasting. A blend of the finest Arabica coffees, designed to create an espresso of exceptional quality and slow roasted to gently release its outstanding aroma.

ROUGE RICHARD

BALANCED & AROMATIC

This blend of fine Arabica with a touch of the highest quality Robusta offers an espresso of great body and richness with harmonious aromatic balance.

DK RICHARD

BALANCED & SMOOTH

All the pleasure of an aromatic coffee without the caffeine for a velvety and flavorful cup. DK Richard is decaffeinated using a method that leaves its unique qualities and aromas intact.

70% PERU PURE ORIGIN

AN EXCEPTIONAL COFFEE, A SINGLE LABEL...

For several years, Cafés Richard has been involved in the Sumatran orangutan protection program which integrates the green economy, nature conservation and social responsibility. In a joint effort and exclusively in France, we offer a specialty coffee, pure origin of Sumatra, the Orang Utan Coffee.

What is Sumatra Orang Utan Conservation Program (SOCP) ?

A Sumatran orangutan conservation program which preserves this endangered species and prevents from the gradual destruction of Indonesia's tropical forests. It helps producers to conserve their land by fighting against intensive agriculture and encourages the ecological and sustainable coffee plantation.

A CLINIC

dedicated to orangutans and the
REHABILITATION PROCESS
in an acclimatization forest.

Nearly

280 

ORANGUTANS
reintroduced into
the Sumatra rainforest
since the start
of the project

90%

BREWING SOLUTIONS

BAGS OF 1 KG, 500 G OR COFFEE DOSES

Espresso lovers are also tempted by drinking coffee in **FILTRATION**. Ideal methods to reveal the aromatic typicity of our grands crus. Our individual doses created for filtration offer a genuine coffee, freshly roasted and grounded, to ensure a **PERFECT** cup of **COFFEE** at every time.

THE ART OF FILTRATION

The ritual of coffee infusion is coming back into the limelight, with new and inventive methods.

What better way to discover the best of our daily coffee selection! This method has been on tables around the world for decades for those who enjoy a full-bodied and rich cup of coffee. You'll actually get to finish brewing it yourself tableside!

Enjoy the pure clean cup that this legendary coffee maker. Invented in 1941, it is not only a beautiful object of design but also gives an aromatic, crystalline coffee with absolutely no bitterness.

Chemistry meets coffee! Almost as spectacular to watch as delicious to drink. A halogen lamp gently heats the water to be infused with the coffee in a patented vacuum decanter. Come witness this ingenious preparation at our BrewBar... A medium-bodied and Brew Bar!

A pure concentration of coffee aromas in this 12 hour cold water extraction! Smooth and rich with very little acidity, this coffee is to be enjoyed cold. At Cafés Richard, we pre-infuse the iced water with different fruits and spices in order to highlight or contrast the specific flavor characteristics of the selected coffee. Coffee refinement at its best!

Green & White Tea

Tendre Rencontre au Pont des Arts*

Organic flavoured white and green tea, Rose and Lychee flavours. It invites us to a walk between the "Left Side" and the "Right Side" of Paris. This blend has soft and gentle vegetal notes of white and green tea, sprinkled with rose petals and a hint of lychee and raspberry. ⌚ 4 min 🌡 80° C

PACKAGING

Preparation tips: 2g/200ml of low mineral water. ⌚ Steeping time
 🌡 Water temperature* Iced tea option: Steep for about 1 hour (room temperature) 10g into a glass pitcher containing 1 liter of pure water. Filter and refrigerate. Drink within 24h. Exception for "Nuit Folle à Montmartre", please steep with hot water then refrigerate.

Founded in 2002, the Académie was an instant hit with our customers. Each year, over 700 professionals trust us to help them become real coffee ambassadors, by following our workshops on the art of espresso, roasting and coffee-cocktails or barista diploma courses. In our consulting role, we have also helped many clients to develop their offer and come up with new concepts.

The Académie du Café® is approved for delivering SCA Barista skills certifications and Barista coffee diplomas.
